DECLARATION OF CONFORMITY

Capannori, 25/06/2025

Object:

Declaration of REACH regulation

The European Regulation 1907/2006 "REACH" on the evaluation, authorisation and restriction of chemical substances entered into force on 1 June 2007.

The Regulation is mainly aimed at companies producing or importing chemical substances and contains some provisions involving distributors of substances and user enterprises, so-called "downstream users".

We hereby ensure that our products comply with the Reach legislation. Based on information from our suppliers,

we can state the following:

- The highly critical SVHC substances listed in the "Candidate List" updated on 25/06/2025 are not present or at a concentration of less than 0.1 % p/p.
- Our products do not contain substances subject to authorisation as set out in Annex XIV of the regulation.
- Our products comply with the regulations regarding restrictions on placing on the market as set out in Annex XVII of the regulation.
