

DoP Guide

Welcome to the area dedicated to searching for Specialcavi's Declarations of Performance (DoP).

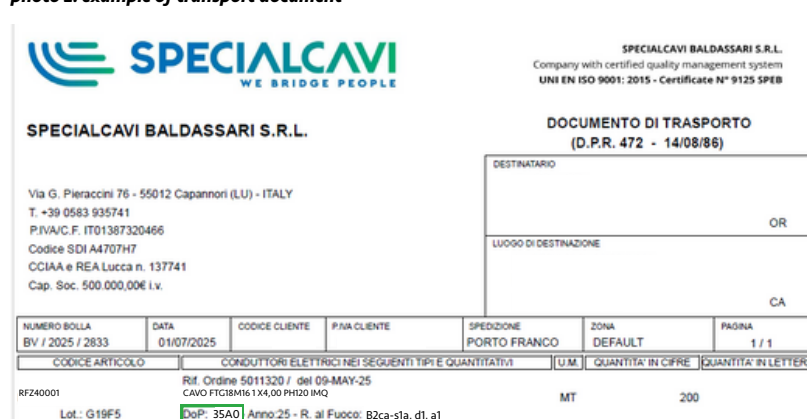

This section has been created to meet the requirements of the European Regulation 305/2011 on construction products (CPR), providing always up-to-date access to DoPs, even in the absence of printed documentation. Below you will find the steps to follow in order to easily locate the Declaration of Performance you are looking for.

- Research the DoP number from the product label** [photo 1: example label] **and/or from the associated transport document** [photo 2: example transport document].
Note: The number will consist of 4 characters for standard cables and 6 characters for cables with customized marking.
